

regulations implementing the Federal Advisory Committee Act, HUD normally publishes a **Federal Register** meeting notice at least 15 calendar days before the date of an advisory committee meeting (see 41 CFR 105-54.301(i)). The GSA regulations, however, also provide that an agency may give less than 15 days notice if the reasons for doing so are included in the **Federal Register** meeting notice. (See 41 CFR 105-54.301(j).) Given the strict statutory deadline for implementation of the Operating Fund formula, HUD believes it is imperative that the negotiations for development of the formula begin as soon as possible. Failure to publish the Operating Fund final rule on a timely basis will delay the provision of operating subsidies to PHAs. Accordingly, rather than defer the start of the negotiations, HUD has decided to proceed with the committee meeting announced in the February 3, 1999 document.

IV. Future Committee Meetings

Decisions with respect to future meetings will be made at the first meeting and from time to time thereafter. A second meeting is tentatively scheduled for April 13 and 14, 1999, at a location within the Washington, DC area, to be determined. The April 13th meeting is tentatively scheduled to begin at approximately 9:00 am and continue until approximately 5:00 pm. The April 14th meeting is scheduled to begin at approximately 9:00 and continue until approximately 3:00 pm. Notices of all future meetings will be published in the **Federal Register**. HUD will make every effort to publish such notices at least 15 calendar days prior to each meeting.
